

Fundraising

Fundraising is a necessary component of the Toronto Swim Club and an integral part of its financial success. A portion of the Registration Fees (for all groups except Intro) is designated as the fundraising component; this is the maximum amount that can be recouped through various fundraising programs throughout the year. Amounts raised in excess of the fundraising commitment of the swimmer will be retained by the Toronto Swim Club.

The fundraising amount of the registration fees, specific to the group

The following chart indicates the fundraising portion of the registration fees, for swimmers paying the full fee, ie. registered for the full year and no sibling discount. If your registration fees are reduced due to either late registration, early withdrawal or a sibling discount, then your fundraising portion will be proportionately reduced. Please contact board@torontoswimclub.com if you need further details.
