

Volunteering - Family Participation

The Toronto Swim Club relies on family involvement for the effective running of its administrative activities and Club hosted meets. Each family with a National, Gold, Silver or Bronze swimmer will be expected to participate in volunteer activities. Your support and participation in volunteer activities are a mandatory component of membership in the Club.

The Club collects a **\$250 Family Participation Deposit** from each family. This is intended to be a once only deposit, to be carried forward each year throughout a family's tenure with the Club, and is 100% refundable on graduation or withdrawal from the Club as long as the Family Participation requirements have been met each year. Failure to meet the minimum volunteer requirements during any season will result in the forfeiture of your participation deposit and an additional \$250 deposit will be required prior to re-registration the following year.

For details on the Club's policy with respect to Family Participation please see:

***Family Participation Requirements/Policies ***

***Family Participation Points Chart ***

It is each family's responsibility to keep track and report their volunteer activities.

Please download and complete a Family Participation Points form and email it to familypoints@torontoswimclub.com
