New for 2009 / 2010

Registration will be available on-line only, beginning August 11, 2009. Spots will be held for returning swimmers only until the end of August.

Returning swimmers

Invite Letters, advising of your group placement for the 2009 / 10 season, were emailed July 1st to all swimmers registered in 08/09. If you did not receive this notice, please contact the office.

New TSC swimmers

Following your tryout (see Dates to Remember) and subject to enough room in the appropriate program, you will be advised of your assigned group.

The Toronto Swim Club provides a two week tryout period for new swimmers, both at the start of the season and for those considering joining at any time throughout the year. You must fill out a **TSC Tryout Form** which includes a waiver, and leave it with a coach or group parent in order to take part in the tryout.

If your swimmer decides to join TSC, you must complete your on-line registration no later than 2 weeks following the date of the first practice.
